Professional Experience

Freelance Graphic Designer | Self-Employed | 2021 – Present

- Managed freelance branding, marketing, and graphic design projects while completing undergraduate and MBA studies.
- Developed digital and print marketing materials, visual assets, promotional graphics, and branded collateral for independent clients.
- Balanced rigorous academic coursework with client communication, deadline management, and project execution.
- Expanded expertise in business strategy, finance, operations management, and marketing analytics through advanced university studies.

Marketing Graphic Artist | Millennium Mat Company | 2007 – 2010

- Developed brand identity systems, style guides, catalogs, marketing collateral, and promotional materials across multiple subsidiary brands.
- Collaborated with production and operations teams to streamline art production workflows for high-volume manufacturing environments.
- Supported retail and B2B product lines distributed through major national retailers including Kohl's, Lowe's, Ross, Home Depot, and Office Depot.
- Created customer-facing sales and fundraising materials supporting schools, colleges, and athletic organizations.
- Contributed to marketing strategy and upsell initiatives for commercial customers and distribution partners.

Operations Manager | Pet Stop of North Georgia | 2014 – 2016

- Managed customer consultations, project estimates, scheduling, and operational coordination for pet containment system installations.
- Delivered customer service, installation support, and training demonstrations while operating independently in a small-business environment.
- Handled business operations responsibilities including customer communication, sales support, and account coordination.

Graphic Artist | Communicorp (Aflac Subsidiary) | 2013 – 2014

- Produced large-scale printed marketing collateral and corporate communications materials for enterprise clients.
- Prepared print-ready assets for variable data printing workflows using Fusion Pro and Enfocus PitStop.
- Supported marketing and communications initiatives for both Aflac and private-sector customers.

Graphic Artist | Matthew Broadus Advertising | 2007

- Designed large-format signage, real estate marketing graphics, and community development visuals for regional clients.
- Created production-ready artwork for sandblasted monuments, subdivision signage, and commercial branding materials.
- Collaborated on visual concepts supporting real estate and development marketing efforts.

Hybrid Graphic Artist | Fanatics | 2006 – 2007

- Edited and optimized product imagery for professional and collegiate sports merchandise platforms.
- Produced promotional graphics, digital banners, and marketing visuals supporting ecommerce initiatives.
- Assisted with product photography and image production workflows.

Owner | Pet Stop Underground Fencing | 2005 – 2007

- Managed all aspects of small business operations including sales, customer service, budgeting, scheduling, and installations.
- Developed marketing materials and handled customer relationship management activities.
- Built experience in entrepreneurship, operations management, and independent client service.

Hybrid Graphic Artist | Mountville Mills Inc. | 1998 – 2005

- Developed marketing materials, catalogs, websites, and branded collateral for one of the largest logo mat manufacturers in the United States.
- Created large-format graphics and vector artwork for commercial carpet printing applications.
- Supported marketing and branding initiatives across multiple related companies and product lines.
